

Heaven Is Missing an Angel

George Strait

You came into my life like an answer to a prayer
Like a star that falls from the sky right out of thin air
Some might say it's a miracle or a dream come true
But from that day I always knew

Heaven is missing an angel
That's the only thing that it can be
Heaven is missing an angel
'Cause you're right here with me

No one else in the world has touched me like you do
It's super natural, girl, the way I feel when I'm with you
I'm in paradise whenever you're around
Then when I look in your eyes there's no doubt

Heaven is missing an angel
That's the only thing that it can be
Heaven is missing an angel
'Cause you're right here with me

I'm in paradise whenever you're around
Then when I look in your eyes there's no doubt

Heaven is missing an angel
That's the only thing that it can be
Heaven is missing an angel
'Cause you're right here with me

Right here with me
You're right here
