

Her Only Bad Habit Is Me

George Strait

She's an angel and I ain't
Lord knows she deserves a saint
And it don't take a genius to see
Her only bad habit is me

Why she loves me I don't know
I can sure be a hard way to go
But I'm right here where she wants me to be
Her only bad habit is me

Most of the time I'm walking the line
But sometimes I get out of hand
My baby scolds me and later on she holds me
She loves me and she understands
She's perfection, she's a ten
My baby never looks at other men
She has just one weakness I see
Her only bad habit is me

Most of the time I'm walking the line
But sometimes I get out of hand
My baby scolds me and later on she holds me
She loves me and she understands
She's perfection, she's a ten
My baby never looks at other men
She has just one weakness I see
Her only bad habit is me
