

## Here for a Good Time

George Strait

I am not gonna lay around and whine and mourn for somebody that  
done me wrong  
Don't think for a minute that I am gonna sit around and sing so  
me old sad song  
I believe it's half full not a half empty glass  
Every day I wake up knowing it could be my last

I ain't here for a long time  
I'm here for a good time  
So bring on the sunshine, to hell with the red wine  
Pour me some moon shine  
When I'm gone put it in stone "He left nothing behind"  
I ain't here for a long time  
I'm here for a good time

Folks are always dreaming about what they like to do but I like  
to do just what I like  
I take the chance, dance the dance, it might be wrong but then  
again it might be right  
There's no way of knowing what tomorrow brings  
Life's too short to waste it I say bring on anything

I ain't here for a long time  
I'm here for a good time  
So bring on the sunshine, to hell with the red wine  
Pour me some moon shine  
When I'm gone put it in stone "He left nothing behind"  
I ain't here for a long time  
I'm here for a good time  
I ain't here for a long time  
I'm here for a good time
