

# If You Can Do Anything Else

George Strait

Would you like to live in Houston  
Where the cowboys come to town  
Or maybe Pensacola  
Where the sun shines all year 'round  
Or even New York City  
Where the city never sleeps  
I'm offering you the option  
Before you get in too deep

If you can anything else,  
Baby, be good to yourself  
You can find a nice place, have a good life  
Don't worry 'bout me, I'm gonna be alright  
You can make a new start,  
You can see yourself clear  
If you can do anything else, do it  
But if you can't,  
Baby, you can you stay right here

There's work up in Seattle,  
If you don't mind the rain  
San Diego to Savannah,  
They'd all be glad you came  
But life with me would always be  
A roller coaster ride  
You won't hurt my feelings,  
Whatever you decide

If you can anything else,  
Baby, be good to yourself  
You can find a nice place, have a good life  
Don't worry 'bout me, I'm gonna be alright  
You can make a new start,  
You can see yourself clear  
If you can do anything else, do it  
But if you can't,  
Baby, you can you stay right here

This place might look real good right now,  
But lookin' good don't last  
But if you choose it, anyhow,  
I'll give you all I have

If you can anything else,  
Baby, be good to yourself  
You can find a nice place, have a good life  
Don't worry 'bout me, I'm gonna be alright  
You can make a new start,  
You can see yourself clear  
If you can do anything else, do it  
But if you can't,  
Baby, you can you stay right here
