

Living And Living Well

George Strait

1. Had a nice little life
A little boat a little beach
A little boat a little beach
A little routine I liked
A blue ocean view
Free to go with the flow
anywhere that I wanted to
But the moment you set foot on my shore
that's when I knew

R: There's a difference in
Living and living well
Living and living well
You can't have it all
You can't have it all
All by your self
Somethings always missing
til you share it with someone else
There's a difference in living and living well

2. Til you smiled with me
Thought that I had it good
As good as it could be
From the back of my deck
Caught a fish caught a breeze
And a thousand red sunsets
But sitting here with you girl I just saw
The best one yet knew

R: There's a difference in...

*: My days are brighter
My sky a deeper blue
My nights are sweeter
When I'm with you. There's a difference in.
