

Overnight Male

George Strait

Let me be your male-man
And I'll always come though
There's no denying'
Come rain or shine
I'll deliver my love to you
I do things by the letter
You can put your stamp on me
Cause there ain't nobody better
For a special delivery

Like the pony express
And the wild wild West
I'll ride hard all night long
And I can saddle up fast
Get ya there first class
Long before the dawn
You know your male's gonna get to you
Come snow, rain, sleet, or hail
'Cause I'm a top flight, hold ya tight, get ya there by daylight
Do you right overnight male

I know your heart is fragile
So I'll handle it with care
There ain't no doubt
I know love's route
So baby let me take you there
I'll bring you cards and flowers
But I know just what you need
Just give me 24 hours
Satisfaction guaranteed

Like the pony express
And the wild wild West
I'll ride hard all night long
And I can saddle up fast
Get ya there first class
Long before the dawn
You know your male's gonna get to you
Come snow, rain, sleet, or hail
'Cause I'm a top flight, hold ya tight, get ya there by daylight
Do you right overnight male

You know your male's gonna get to you
Come snow, rain, sleet, or hail
'Cause I'm a top flight, hold ya tight, get ya there by daylight
Do ya right overnight male
Yeah I'm a top flight, hold ya tight, get ya there by daylight
Do ya right overnight male
