

River of Love

George Strait

Hey baby, won't you take a little ride with me.
Have a look around,
See what we can see.
I've got the paddle,
I've got the boat.
Come on baby, I know she'll float.

We'll go rolling on the river of love,
We'll go rolling on the river of love.

Drift away from all these city lights,
Might rock a little bit,
So hold on tight.
Let's get carried away with the gentle flow.
Might get caught up in its undertow.

We'll go rolling on the river of love,
Let's go rolling on the river of love.

I got a little ukulele, let me sing you a song.
Got a stream of kisses about ten miles long.
Dancing on the water in the moonlight beach.
Sparkling down through the sea of dreams.

We'll go rolling on the river of love,
We'll go rolling on the river of love.
(2x)

River of love, River of love, River of love.
Rolling on the river of love,
Let's go rolling, rolling on the river of love.
Let's go rolling on the river of love.
Rolling on the river of love.
Rolling on the river of love.
Let's go rolling, rolling on the river of love.
