

# Shouldn't Be Doing This

George Strait

We really shouldn't be doin' this  
And we both know why  
Just bein' close enough to think like this  
Enough to make you need to lie  
This kind of talk will lead us to somewhere  
We're getting way too close to go in there  
The farther off, the better to resist  
We really shouldn't be doin' this  
Only an isolated incident  
But the acquaintance left me stunned  
The first attraction was the hardest hit  
I thought I'd ever overcome  
This kind of situation has to pass  
This chance encounter has to be the last  
To take it farther we would be remiss  
We really shouldn't be doin' this

We'd each be hurtin' somebody else  
If we don't say our goodbyes real fast  
Won't even think about a farwell kiss  
We really shouldn't be doin' this  
Well-, We really shouldn't be doin' this  
And we both know why  
Just bein' close enough to think like this  
Enough to make me have to lie  
This kind of talk can lead us to somewhere  
We're getting way too close to go in there  
The farther off, the better to resist  
We really shouldn't be doin' this  
This kind of situation has to pass  
This chance encounter has to be the last  
To take it farther we would be remiss  
We really shouldn't be doin' this  
Won't even think about a goodbye kiss  
We really shouldn't be doin' this
