

# The Road Less Traveled

George Strait

There's a road a winding road that never ends  
Full of curves lessons learned at every bend  
Goin' rough unlike the straight and narrow  
It's for those who go against the grain  
Have no fear dare to dream of a change  
live to march to the beat of a different drummer  
And it all might come together  
And it all might unraveled  
On the road less traveled

For the road less traveled ain't for the faint of heart  
For those who choose to play it safe and never stray too far  
Me I want to live my life and one day leave my mark  
And it all might come together  
And it all come unraveled  
On the road less traveled

I've chosen a pathway I may not endure  
One thing's for certain nothing's for sure  
And it all might come together  
And it all might come unraveled  
On the road less traveled

For the road less traveled ain't for the faint of heart  
For those who choose to play it safe and never stray too far  
Me I want to live my life and one day leave my mark  
And it all might come together  
And it all come unraveled  
On the road less traveled

There's a road winding road that never ends
