

# Wrapped

George Strait

I didn't have to turn my head whenever you walked in  
The only one to let these chills roll down my skin  
My heart beats faster, I hear your name  
I feel my confidence slippin' away

I thought I was doin' fine  
'Bout to get you off my mind  
I see your face and then I'm  
Wrapped around your pretty little finger again

It feels like ages since you laid down in my arms  
I see no good reason but still I'm tangled in your charms  
My God, you're smilin' and you catch my eye  
My heart is pounding deep inside

I thought I was doin' fine  
'Bout to get you off my mind  
I see your face and then I'm  
Wrapped around your pretty little finger again

Ain't gonna let no man go down without a fight  
'Cause my stalls and walls look better in the bright day light  
My heart beats faster, I call your name  
I feel my confidence slippin' away

I thought I was doin' fine  
'Bout to get you off my mind  
I see your face and then I'm  
Wrapped around your pretty little finger again

Your pretty little finger  
Baby, I'm wrapped around your pretty little finger  
Pretty little finger
