

## Write This Down

George Strait

I never saw the end in sight; fools are kind of blind.  
Thought everything was going alright, but I was running out of  
time.

'Cause you had one foot out the door, I swear I didn't see  
But if you're really going away, here's some final words from m  
e.

Baby, write this down, take a little note to remind you in case  
you didn't know,

Tell yourself I love you and I don't want you to go, write this  
down.

Take my words, read 'em every day, keep 'em close by, don't you  
let 'em fade away,

So you'll remember what I forgot to say, write this down.

I'll sign it at the bottom of the page, I'll swear under oath  
'Cause every single word is true, and I think you need to know,  
So use it as a bookmark, stick it on your 'frigerator door,  
Hang it in a picture frame up above the mantel where you'll see  
it for sure.

Baby, write this down, take a little note to remind you in case  
you didn't know,

Tell yourself I love you and I don't want you to go, write this  
down.

Take my words, read 'em every day, keep 'em close by, don't you  
let 'em fade away,

So you'll remember what I forgot to say, write this down.

You can find a chisel, I can find a stone.

Folks will be reading these words, long after we're gone.

Baby, write this down, take a little note to remind you in case  
you didn't know,

Tell yourself I love you and I don't want you to go, write this  
down.

Take my words, read 'em every day, keep 'em close by, don't you  
let 'em fade away,

So you'll remember what I forgot to say, write this down.

Oh I love you and I don't want you to go, baby write this down.
