

## Drop Down Mama

George Thorogood

Drop down mama, let your daddy see  
You got something goin' down baby, worryin' me  
But my mama don't allow me stayin' out all night long  
She says, "Son, you're much too young  
To let some woman treat you wrong"

Jack of Diamonds told his queen of spade  
Come on baby, you may go down and creep away  
But my mama don't allow me stayin' out all night long  
She says, "Son, you're much too young  
To let some woman treat you wrong"

Got a woman in Texas, got a woman in Tennessee  
Got a woman in California, she's all crazy 'bout me  
But my mama don't allow me stayin' out all night long  
She says, "Son, you're much too young  
To let some woman treat you wrong"

Drop down mama, let your daddy see  
You got something goin' down honey's that worryin' me  
But my mama don't allow me stayin' out all night long  
She says, "Son, you're much too young  
To let some woman treat you wrong"
