

I'm ready

George Thorogood

Well, I'm ready, I'm willing, able
To rock and roll tonight
I'm ready, I'm willing and I'm able
To rock and roll tonight

Come on, pretty baby
We're gonna rock, we're gonna roll
Until the mornin' light

Beause I'm ready, uh-huh
I'm willing, mmm
I'm willing and I'm able
Now you better come and go with me

We're gonna rock and roll
'Til tomorrow 'bout three

Now talking on the phone, baby, ain't my speed
Don't write me no letters 'cause I can't read
It won't be long 'cause I been told
We're gonna rock and roll all night long

Well, I'm ready, I'm willing, able
To rock and roll tonight
I'm ready, I'm willing and I'm able
To rock and roll tonight

Come on, pretty baby
We're gonna rock, we're gonna roll
Until the broad daylight

Talking on the phone, baby, ain't my speed
Don't you write me no letters 'cause I can't read
It won't be long 'cause I been told
We're gonna shake, rattle and roll

Because I'm ready, I'm willing, able
To rock and roll tonight
I'm willing and I'm able
Now you better come and go with me

We're gonna rock and roll
'Til tomorrow 'bout three
Alright

Yeah, talking on the phone, baby, ain't my speed
Don't write me no letters 'cause I can't read
It won't be long 'cause I been told
We're gonna shake, rattle and roll

Because I'm ready, I'm willing, able
To rock and roll tonight
I'm ready, I'm willing and I'm able
To rock and roll tonight

Come on, pretty baby
We're gonna rock, we're gonna roll

Until the broad daylight
