

Twenty Dollar Gig

George Thorogood

got a twenty dollar gig
A twenty dollar gig
I got a twenty dollar gig
Yeah it's a twenty dollar gig
And if I play real good
I'll get a thirty dollar gig

I got a thirty dollar gig
A thirty dollar gig
I got a thirty dollar gig
Yeah it's a thirty dollar gig
And if I play real good
I'll get a forty dollar gig

I got a forty dollar gig
Yeah it's a forty dollar gig
I got a forty dollar gig
I'll buy a fifty dollar rig
I'll drive a fifty dollar rig
To my forty dollar gig

I got a twenty dollar gig
I got a thirty dollar gig
I got a forty dollar gig
Got a fifty dollar gig
But when I make it real big
I'll get a sixty dollar gig
