

## Lie To Me

George

Why didn't I listen to my heart  
When she had me guessin' from the start  
More and more I wonder  
Why do I still want her  
After all the love I gave to you  
All this pain and all because of you

What am I supposed to do  
When it's all a lie  
Where am I supposed to go  
When it's dark outside  
What am I supposed to do  
When it's all a lie  
Lie to me One last time

Still had those letters from last fall  
And everytime the phone rings  
Wish it was your call  
More and more I wonder  
Why do I still want her  
After all the love I gave to you  
All this pain I'm in because of you

What am I supposed to do  
When it's all a lie  
Where am I supposed to go  
When it's dark outside  
What am I supposed to do  
When it's all a lie  
Lie to me One last time

Why did you have to hurt (to hurt)  
Loved you for all your lies (your lies)  
One thing I know is true  
Ill never stop  
Lovin' you (lovin' you)  
So tell me

What am I supposed to do  
When it's all a lie  
Where am I supposed to go  
When it's dark outside  
What am I supposed to do  
When it's all a lie  
Won't you lie to me lie to me baby  
Lie to me lie to me baby  
Won't you lie to me baby  
One last time
