

# Such A Fool

George

12 o'clock in the morning and i'm chilling with some friends  
Before the club we're hangin out until this girl walked in  
Caught me by surprise when she didn't say hello  
Had an attitude, why be so rude I knew just what to do  
Pulled the girl aside and politely gave my name  
Told the girl dont act this way  
I see right through your game  
But what he did was such a shame  
Dont be living with his pain

So let it go tonight  
I see the beauty within your eyes  
So let it go tonight

I never thought that it would be me  
Acting like such a fool oooh  
And here I am saying girl im sorry  
For something i didnt do, this is my point of view  
Baby i never meant to fall for her  
Lately its been driving me crazy  
Baby baby, you still and always will be my baby  
Oh yea..

Its 4 o'clock in the morning and it didn't take too long  
For the girl to change her tune and now shes singin a different song  
She's all up on me, kissing on me, grinding on me  
Whats a guy to when this Pretty?s on you  
Pretty, im not that guy  
I already got that someone in my life  
Pretty, im not that guy

I never thought that it would be me  
Acting like such a fool oooh  
And here I am saying girl im sorry  
For something i didnt do, this is my point of view  
Baby i never meant to fall for her  
Lately its been driving me crazy  
Baby baby, you still and always will be my baby  
Oh yea..

I let her in but only before a minute, girl  
She was up in my mind  
But it was you I found a start  
You'll always have my heart  
Say my heart

I never thought that it would be me  
Acting like such a fool oooh  
And here I am saying girl im sorry  
For something i didnt do, this is my point of view  
Baby i never meant to fall for her  
Lately its been driving me crazy  
Baby baby, you still and always will be my baby  
Oh yea.. (2x)
