

# I Want You To Be My Baby

Georgia Gibbs

I, I want, I want you  
I want you to  
I want you to be  
I want you to be my baby

Will, will you, will you please  
Will you please tell  
Will you please tell me  
If you're going to be my baby

Listen to your mama  
And you never will regret it  
And if anybody wonders  
You can tell them that I said it

The only thing I know is  
That I never can forget you  
I've been longing for you, baby  
Ever since the day I met you

I got you where I want you  
And I'm never gonna let you  
Get away from me

Hear what I tell you  
I'm the girl for you and so  
You'd better start to face it  
If you ever lose my love  
You know you never can replace it

I think it's time for you to  
Start to give me some loving  
Carrying a torch for you  
That's hotter than an oven

It's time for you to give me  
A little bit of loving, baby  
Hold me tight and do  
What I tell you

I, I want, I want you  
I want you to  
I want you to be  
I want you to be my baby

Will, will you, will you please  
Will you please tell  
Will you please tell me  
If you're going to be my baby

Hear what I tell you  
I'm the girl for you and so  
You'd better start to face it  
If you ever lose my love  
You know you never can replace it

I think it's time for you to

Start to give me some loving  
Carrying a torch for you  
That's hotter than an oven

It's time for you to give me  
A little bit of loving, baby  
Hold me tight and do  
What I tell you

I, I want, I want you  
I want you to  
I want you to be  
Want you to be  
Want you to be  
Want you to be my baby
