Umh.....la la da..... la da da...."Catchin Feelin" I'm catchin feelins' (yeah yeah) I'm catchin feelins' (yeah yeah) I don't think I can deal with hollering at you and you not holler back Leaving messages on your phone and you don't hit me back Catchin feelins' (yeah yeah yeah) I'm catchin feelins' (yeah yeah) I don't think I can deal with knowing you're laying up with somebody else I don't want you for my friend if I can't have you for myself A friend of a friend introduced us, had some drinks and laughs told me about your man I told you 'bout my girlfriend you said he made you happy sometimes but (sometimes) he spends way too much time at work. And his family worked yo' nerves, baby momma was a jerk and his kissing was the worse but you still loved him. So we agreed to meet next week for conversation and some drinks. But baby girl I think I'm catchin feelins' (yeah yeah) I'm catchin feelins' (yeah yeah) I don't think I can deal with hollering at you and you not holler back Leaving messages on your phone and you don't hit me back Catchin feelins' (yeah yeah) I'm catchin feelins' (yeah yeah) I don't think I can deal with knowing you're laying up with somebody else I don't want you for my friend if I can't have you for myself You brought your man the next week. That didn't sit well wit me, but Our other friends made it easier for me to be in your company You said hey that's my jam but your man didn't want to dance so I grabbed you by the hand and let you to the dance floor the closer we got, I started feeling hot, ooh, I know you feel me, girl how embarrassing but you didn't push away you pulled me closer to your face, whispered this is wrong we stopped before the end of the song. I'm catchin feelins' (yeah yeah) I'm catchin feelins' (yeah yeah) I don't think I can deal with hollering at you and you not holler back Leaving messages on your phone and you don't hit me back Catchin feelins' (yeah yeah) I'm catchin feelins' (yeah yeah yeah) I don't think I can deal with knowing you're laying up with somebody else I don't want you for my friend if I can't have you for myself I met many-a woman-but never felt this way you had me wide open the first time I seen yo' face but I can't be around you and know you're not mine so if you
