

# Deep As It Goes

Gerald Levert

Girl, I wanna get  
To the bottom of this  
I wanna hear the places  
That I know that he missed

You ain't been satisfied  
In fact you've been denied  
All the things a girl deserves a man to put in work  
Give you love and like not too fine

Deep as it goes  
Baby, that's so warm, I'm gonna love it, love it  
Deep as it goes  
Baby, that's so hard I'm gonna love it, love it

Don't take it, it's just physical  
Girl, it's all so spiritual, emotional respect  
Deep down in your head, your heart, your body  
Deep down in your soul, don't wanna move the

And if they like it then  
Pick up the bass and then  
I'll go deeper in  
Till you tell me no

Deep as it goes  
Baby, that's so warm, I'm gonna love it, love it  
Deep as it goes  
Baby, that's so hard I'm gonna love it, love it

I'm gonna get it till you  
Girl, believe it you can count on me  
I'm gonna love you like you're supposed to be  
Love, love

Deep in, fill me baby  
As deep as it gets, baby  
Oh, can you feel me, can you feel me  
I'm deep in your heart

I'm deep in your soul  
Said I'm inch by inch by inch I'm  
I'm stroking you baby, I'm stroking you baby  
Going, I'm going deep

Deep as it goes  
Baby, that's so warm, I'm gonna love it, love it  
Deep as it goes  
Baby, that's so hard I'm gonna love it, love it

Deep as it goes  
Baby, that's so warm, I'm gonna love it, love it  
Deep as it goes  
Baby, that's so hard I'm gonna love it, love it
