

# Dream With No Love

Gerald Levert

I've been up, I've been down  
Been through changes and turned around  
Chasing my dreams I really need y'all (necessary)  
Wanna come wanna go, it's just a house when your all alone  
Did I get my wish?  
Is this what will wished?  
I don't want it then, tell me

What do you do with a dream and no love  
It's lonely to bed lonely waking up  
That's not enough  
That's not what I want  
What do you do  
What do with a dream and no one to share it with (naw, naw)  
It's lonely to bed lonely getting up  
That's not enough (naw)  
That's not what I want

See, see

My friends think I've changed but my heart and my soul is the same  
They just can't see (naw)  
I'm a man that's in need  
Oh, I can't fake (fake)  
And I can't front (front)  
Really need me a woman to love  
But she never come  
Dreams unfulfilled with no love

What do you do?

What do with a dream and no love (with a dream, with a dream)  
It's lonely to bed lonely waking up  
And that's not enough, no baby that's not what I want

No, no, no, no, no

See I'm calling (I'm calling) for someone (for someone)  
To fill my emptiness  
Can you hear me (hear me)  
Well I'm sending out an S.O.S.  
I'm in distress (yes I am)

Now what do you do  
What do you do with a dream and no love

It's lonely at the top when you ain't got nobody  
Nobody to love (naw naw naw naw)  
That's not what I want  
That's not what I want  
I betcha my family share my dream with me  
Have a little wine with me  
Picture that baby  
I don't want to be alone (no no no no no no)  
What do you want  
What do you do with a dream, a dream and no love  
It's lonely to bed, it's lonely when you wake up

No one to keep you warm...[fade]
