

# I Believe I Can Fly

Gerald Levert

I used to think that I could not go on  
And life was nothing but an awful song  
But now I know the meaning of true love  
I'm leaning on the ever lasting arms

If I can see it  
Then I can do it  
If I just believe it  
There's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly (3x)

See I was on the verge of breaking down  
Sometimes the silence could seem so loud  
There are miracles in life I must achieve  
But first it's got to start inside of me

If I can see it  
Then I can do it  
If I just believe it  
There's nothing to it

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly (3x)

Cause I believe in me, yea, yea, oh, oh, oh, oh, oh

If I can see it  
Then I can do it  
If I just believe it  
There's nothing to it, oh

I believe I can fly  
I believe I can touch the sky  
I think about it every night and day  
Spread my wings and fly away  
I believe I can soar  
I see me running through that open door  
I believe I can fly (3x)

I believe I can fly (I can fly) (3x)  
I can do anything yea, yea, yea. yea  
I can fly (3x)  
I can do anything, yea, yea, yea

Anything I wanna do (Anything I wanna do) (3x)

I can do anything  
I can fly
