

# It Hurts Too Much To Say

Gerald Levert

Candle light and chocolate kisses  
Calls to say you missed me when we started

Your nails was done, your hair was pressed  
I miss the way you used to dress  
When I met you  
I really do

I gave my best 4 years, my time was wasted

See I shared your fears, and the tears you cried I tasted

Baby, I loved your kids, opened up my home. Yes I did

Paid your mama's bills. Gave you all when  
You had nothing.

Love you so, can't let go.  
Never thought I'd be without you  
Can't imagine life without you  
Walk away, everyday.  
Told me that you'd never leave.  
But now you say it hurts too much to stay.

Too much to stay

Said it's hard for me  
Your lover's stayin with his mom  
Tell me was it worth the drama oh baby  
See we got our own kids yeah

If there had to be another.  
Why go trick'n in the gutter  
And drivin our sh... mmmmmmm  
Boo baby

See I know he can't put that thang down like I do.

Baby that was the past. You don't roll like you used

Said what's my motivation  
Girl I'm better off alone.

Tell me why can't we just walk away.

Why are we so torn?

Love you so, can't let go.  
Never thought I'd be without you  
Can't imagine life without you  
Walk away, everyday.  
Told me that you'd never leave.  
But now you say it hurts too much to stay.

Never meant to hurt you.  
you walk away from me  
Tell me why did you change

Can't it be all that we have hoped and prayed for  
Now it's gone away

Oh baby, everything. Our hopes and dreams they are  
No longer. We can't go back the way it used to be  
Said now really.

Love you so, can't let go.  
Never thought I'd be without you  
Can't imagine life without you  
Walk away, everyday.  
Told me that you'd never leave.  
But now you say it hurts too much to stay.

Tryin to make you understand that I only just a man

Going to jail cause I kill yo girl  
Going to jail cause I kill yo girl

Come on now don't do this now  
Come on now don't do this now

Your body belongs to me  
She can't have you no matter what she thinks  
No no no no no no no no
