

It Hurts Too Much To Stay

Gerald Levert

Candle light and chocolate kisses
Calls to say you missed me when we started

Your nails was done, your hair was pressed
I miss the way you used to dress
When I met you
I really do

I gave my best 4 years, my time was wasted

See I shared your fears, and the tears you cried I tasted

Baby, I loved your kids, opened up my home. Yes I did

Paid your mama's bills. Gave you all when
You had nothing

Love you so, can't let go
Never thought I'd be without you
Can't imagine life without you
Walk away, everyday
Told me that you'd never leave
But now you say it hurts too much to stay

Too much to stay

Said it's hard for me
Your lover's stayin with his mom
Tell me was it worth the drama oh baby
See we got our own kids yeah

If there had to be another
Why go trick'n in the gutter
And drivin our sh, mmmmmmm
Boo baby

See I know he can't put that thang down like I do

Baby that was the past. You don't roll like you used

Said what's my motivation
Girl I'm better off alone

Tell me why can't we just walk away

Why are we so torn?

Love you so, can't let go
Never thought I'd be without you
Can't imagine life without you
Walk away, everyday
Told me that you'd never leave
But now you say it hurts too much to stay

Never meant to hurt you
You walk away from me
Tell me why did you change

Can't it be all that we have hoped and prayed for
Now its gone away

Oh baby, everything. Our hopes and dreams they are
No longer. We can't go back the way it used to be
Said now really

Love you so, can't let go
Never thought I'd be without you
Can't imagine life without you
Walk away, everyday
Told me that you'd never leave
But now you say it hurts too much to stay

Tryin to make you understand that I only just a man

Going to jail cause I kill yo girl
Going to jail cause I kill yo girl

Come on now don't do this now
Come on now don't do this now

Your body belongs to me
She can't have you no matter what she thinks
No no no no no no no no
