It Hurts Too Much To Stay

Tell me why did you change

Gerald Levert

Candle light and chocolate kisses Calls to say you missed me when we started Your nails was done, your hair was pressed I miss the way you used to dress When I met you I really do I gave my best 4 years, my time was wasted See I shared your fears, and the tears you cried I tasted Baby, I loved your kids, opened up my home. Yes I did Paid your mama's bills. Gave you all when You had nothing Love you so, can't let go Never thought I'd be without you Can't imagine life without you Walk away, everyday Told me that you'd never leave But now you say it hurts too much to stay Too much to stay Said it's hard for me Your lover's stayin with his mom Tell me was it worth the drama oh baby See we got our own kids yeah If there had to be another Why go trick'n in the gutter And drivin our sh, mmmmmmm Boo baby See I know he can't put that thang down like I do Baby that was the past. You don't roll like you used Said what's my motivation Girl I'm better off alone Tell me why can't we just walk away Why are we so torn? Love you so, can't let go Never thought I'd be without you Can't imagine life without you Walk away, everyday Told me that you'd never leave But now you say it hurts too much to stay Never meant to hurt you You walk away from me

Can't it be all that we have hoped and prayed for Now its gone away

Oh baby, everything. Our hopes and dreams they are No longer. We can't go back the way it used to be Said now really

Love you so, can't let go Never thought I'd be without you Can't imagine life without you Walk away, everyday Told me that you'd never leave But now you say it hurts too much to stay

Tryin to make you understand that I only just a man

Going to jail cause I kill yo girl Going to jail cause I kill yo girl

Come on now don't do this now Come on now don't do this now

Your body belongs to me She can't have you no matter what she thinks No no no no no no no no no
