

# Just Because I'm Wrong

Gerald Levert

Girl I know I hurt you and I made you cry  
You still won't forgive me  
Though I said I'm sorry a thousand times

Girl you're not an angel, see you've had faults too  
So why do you take me through the changes  
The changes that you do, say

Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?  
Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?

Girl, I'm only human and I hate to feel this way  
You won't give me no lovin', oh why you making me pay?  
I would never treat you, treat you like you treated me  
If we're going to stay together, you got to start now forgiving  
me

Hey, I gave my all to this relationship  
I tried to hold on baby but you let the loving slip  
See if we're gonna make it last we got to sit down and talk  
'Cause baby if we don't I'm gonna have to walk, walk

Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?  
Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?

See everyday is so much better when we just sit down and talk  
Baby I want to be here for you  
I don't want to have to care about you, I don't have to walk  
I want you to be near me and I want you to be my woman  
Just give me a chance

Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?  
Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?

Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?  
Just because I'm wrong it don't make you right  
Why can't we make love instead of fuss and fight?
