Gerald Levert

Ooo, oh baby  
Come on baby  
I just wanna groove one time, oh

Come here, let me talk to you say  
I'm here tryin' to get you into the mood baby, ooo  
Into my room, wanna groove with you, yeah  
(Take it off)  
Lay you down on my pillow  
Ain't no limit to how far I might go, no

I'm in the mood, we're gonna groove  
'Till the morning time  
'Till the sun shines, yeah  
'Till I hear you say  
Ooo baby, don't cha stop it now, say  
Ooo sugar, it's time for you to go down there  
Ooo baby, I wanna give it good, say  
I'm gonna be your man  
Said I'm tryna do my best at  
At the top of my head

I'm in the mood and you in the mood  
I wanna groove, cuz I'm feeling you  
I'm in the mood and you in the mood  
I wanna groove, cuz I'm feeling you  
I'm in the mood and you in the mood  
I wanna groove, cuz I'm feeling you  
I'm in the mood and you in the mood  
I wanna groove  
Off the top of my head

Ain't tryna give ya no old corney lies (Just take it off)  
Just wanna do what it takes to make you mine  
Baby, I'm in the mood and I wanna groove with you  
One time, two times, three times baby (All night)  
'Till I hear you say  
Ooo baby, please don't stop it now, say  
Ooo baby, you could turn this ass around  
Ooo sugar, I wanna make it good  
Now come here sugar  
And all of this is off the top of my head

I'm in the mood and you in the mood  
I wanna groove, cuz I'm feeling you  
I'm in the mood and you in the mood  
I wanna groove, cuz I'm feeling you  
I'm in the mood and you in the mood  
I wanna groove, cuz I'm feeling you  
I'm in the mood and you in the mood  
I wanna groove  
Off the top of my head

Lovin' totally, all over yours and my body  
You like it right there?  
Do ya like it down there?

Ooo baby, the love you give gon' make me mess  
Ooo sugar, don't stop what you do to me
