

Bag It Up

Gerri Halliwell

Huh huh huh-huh.

1. I like chocolate and controversy, he likes Fridays and bad company.
I like midnight when I'm in the mood,
but he likes the morning, that's when he's rude.
Just a bad case of opposite sex, have to look to the stars.
All we need is a little respect,
'cause men are from Venus and girls are from Mars.

R: Bag it up, don't drop your baby.
Boot it up, no butts or maybe.
Wind him up, and make him crazy, oh oh oh oh.
Take him back, don't drop the baby.
Spin it out, no butts or maybe.
Do your thing, c'mon lady, oh oh oh oh, lady.

2. I don't take sugar on my colour TV, yet he likes it loaded like I candy.
I need some space and he needs a room,
but then he keeps me waiting, I want him too soon.
Just a bad case of opposite sex, have to look to the stars.
All we need is a little respect,
'cause men are from Venus and girls are from Mars.

R: Bag it up, don't drop your baby...

*: Treat him like a lady, treat him like a lady.
Tease and please and chase me, yeah.
Just a bad case of opposite sex, have to look to the stars.
All we need is a little respect,
'cause men are from Venus and girls are from Mars.

R: Bag it up, don't drop your baby...

Treat him like a lady, treat him like a lady,
treat him like a lady, oh oh oh oh.
Treat him like a lady, treat him like a lady,
treat him like a lady, oh oh oh oh.
You know what to do now, you're in control, oh oh oh oh.
Who's wearing the trousers now? oh oh oh oh.
