

# Feel the Fear

Geri Halliwell

The sky is gonna cry tonight  
Flowing like a river it softly slips away  
The sun won't shine so bright  
Cos she knows it'll never start another day

Nothing lasts forever  
It comes as no surprise  
We were strong together  
Now I realize, oh please just

Give me one more day, I've got to have my say  
I'm not afraid to feel the fear and do it anyway  
No I'm never giving up, cos I haven't had enough  
Of all of the love, feel the fear and do it anyway

Anyway

Gonna say hello to my soul today  
Sitting on a mountain saying goodbye to the sun  
Before you throw it all away  
I'd like to say sorry for all the things I've done

Nothing lasts forever  
It comes as no surprise  
We were strong together  
Now I realize, oh please just

Give me one more day, I've got to have my say  
I'm not afraid to feel the fear and do it anyway  
No I'm never giving up, cos I haven't had enough  
Of all of the love, feel the fear and do it anyway

Do it anyway

Found the line that I like in my book of life  
When I'm searching for the truth  
There's a time and a place for sacrifice  
But I don't want to

Just give me one more day, I've got to have my say  
I'm not afraid to feel the fear and do it anyway  
No I'm not giving up, cos I haven't had enough  
Of all of the love, feel the fear and do it anyway

Just give me one more day, I've got to have my say  
I'm not afraid to feel the fear and do it anyway  
No I'm not giving up, cos I haven't had enough  
Of all of the love, feel the fear, do it anyway

Do it anyway  
Do it anyway
