

# It's Raining Men

Gerri Halliwell

1. The humidity is risin  
Barometer's gettin' low  
According to all sources  
The street's the place to go  
'Cause tonight for the first time  
Just about half past ten  
For the first time in history it's gonna start rainin' men.

R: It's rainin' men. Hallelujah, it's rainin' men - amen.  
It's rainin' men. Hallelujah, it's rainin' men - amen.

2. = 1.

R: It's rainin' men. Hallelujah, it's rainin' men - amen.  
I'm gonna go out. I'm gonna let myself get,  
Absolutely soaking wet. It's rainin' men.  
Hallelujah, it's rainin' men, ev'ry specimen:  
Tall, blond, dark and lean, rough and tough and strong and mean.

3. God bless mother nature, she's a single woman too.  
She took on the heavens, and she did what she had to do.  
She fought ev'ry angel, she rearranged the sky,  
So that each and ev'ry woman, could find a perfect guy.

It's rainin' men. Don't get yourself wet girl.  
I know you like to

\*: I feel stormy weather movin in about to begin,  
Hear the thunder don't you loose your head,  
Rip off the roof and stay in bed.  
Rip off the roof and stay
