

## Let Me Love You

Geri Halliwell

Hey little boy with those big brown eyes  
You don't know what you do to me  
I'm just a girl and I'm in disguise  
Just trying to be a woman  
It doesn't matter how we get there  
Can do this if we try  
Sometimes I just sit and wonder  
If this is good and why  
Let me love you, I know that I can  
If you take me then you'll understand  
So let me love you, I'll hold on tight  
If not for tomorrow then maybe tonight  
Hey little girl with those big blue eyes  
You know what you're doing, you're so grown up  
I watch you grind the little nut you're screwing  
It doesn't matter if you mean it  
Maybe I'm not your kind, sometimes I just sit and wonder  
If love is hard to find, if a girl loves a boy  
And she loves a girl  
What can you do at the end of the day  
There's nothing left to say  
But I love you
