

Let Me Love You

Gerri Halliwell

Hey little boy with those big brown eyes
You don't know what you do to me
I'm just a girl and I'm in disguise
Just trying to be a woman
It doesn't matter how we get there
Can do this if we try
Sometimes I just sit and wonder
If this is good and why
Let me love you, I know that I can
If you take me then you'll understand
So let me love you, I'll hold on tight
If not for tomorrow then maybe tonight
Hey little girl with those big blue eyes
You know what you're doing, you're so grown up
I watch you grind the little nut you're screwing
It doesn't matter if you mean it
Maybe I'm not your kind, sometimes I just sit and wonder
If love is hard to find, if a girl loves a boy
And she loves a girl
What can you do at the end of the day
There's nothing left to say
But I love you
