

Passion

Geri Halliwell

There's something in my heart
That I'm burning to say
Lovin' you ain't easy cos
My pride gets in the way

Words are like butter
Rolling off my lips
Cut like a knife
And now I'm sinking battleships

You know who you are, mm-hmm

Give me a reason to take you back
Give me a reason to share
Give me a reason, cos love is in season
But give me a reason to care
I like my freedom, yeah that's my style
My manifesto lullaby
Give me a reason, cos love is in season
But give me no reason to cry

There's something in your kiss
That I can't let you go
My heart says yes
My head says no

Passion so cruel
When it's hard to resist
I'm fashionably cool
But it's you that I miss

Give me a reason to take you back
Give me a reason to try
Give me a reason, cos love is in season
But give me no reason
My passion's in season
But give me no reason to cry
