

# Get It Right Next Time

Gerry Rafferty

Out on the street I was talkin' to a man  
He said "there's so much of this life of mine that I don't understand"  
You shouldn't worry I said that ain't no crime  
Cause if you get it wrong you'll get it right next time, next time.

You need direction, yeah you need a name  
When you're standing in the crossroads every highway looks the same  
After a while you can recognize the signs  
So if you get it wrong you'll get it right next time, next time  
.

Life is a liar yeah life is a cheat  
It'll lead you on and pull the ground from underneath your feet  
No use complainin', don't you worry, don't you whine  
Cause if you get it wrong you'll get it right next time, next time.

You gotta grow, you gotta learn by your mistakes  
You gotta die a little everyday just to try to stay awake  
When you believe there's no mountain you can climb  
And if you get it wrong you'll get it right next time, next time.

Next time, you-hum
