## **Gerry Rafferty**

You shouldn't worry I said that ain't no crime Cause if you get it wrong you'll get it right next time, next t ime.

You need direction, yeah you need a name When you're standing in the crossroads every highway looks the same

After a while you can recognize the signs So if you get it wrong you'll get it right next time, next time.

It'll lead you on and pull the ground from underneath your feet
No use complainin', don't you worry, don't you whine
Cause if you get it wrong you'll get it right next time, next t
ime.

You gotta grow, you gotta learn by your mistakes
You gotta die a little everyday just to try to stay awake
When you believe there's no mountain you can climb
And if you get it wrong you'll get it right next time, next time.

Next time, you-hum
