

Lonesome Polecat

Gerry Rafferty

I'm a lonesome polecat
Lonesome sad and blue
'Cause I ain't got no feminine polecat
Vowing to be true.

I'm a mean old houndog
Baying at the moon
'Cause I ain't got no lady friend houndog
Here to hear my tune.

Ooh ooh
Can't make no vows --
To a herd of cows.

I'm a lonesome polecat
Lonesome sad and blue
'Cause I ain't got no feminine polecat
Vowing to be true.

Ooh ooh
Can't shoot no breeze --
To a bunch of trees.

You make me so lonely
You make me so lonely
