

# Over My Head

Gerry Rafferty

We sat up talking right on through the night  
And the day had just begun  
Then you said let's take a walk outside  
And watch the rising of the sun.

And over my head there was so much to see in the sky  
Just that feeling of being alive  
Don't let it go, don't let it slip away.

We stood around until the sky was clear  
It was time for you to go  
I watched your figure slowly disappear  
As you walked off down the road.

And over my head there was so much to see in the sky  
Just that feeling of being alive  
Don't let it go, don't let it slip away.

Don't let it go, don't let it slip away  
Don't let it go, don't let it slip away.
