

# Sleepwalking

Gerry Rafferty

Out on the street and the rain is fallin', I got nowhere to go  
Here in my heart I can hear you callin' maybe I should come back home  
I don't know what keeps us together, but I can't break the chain  
I don't mind a little stormy weather, but I just can't stand the rain.

Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon  
Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon.

Sleep won't come so you lie there waitin', lookin' at the silvery light  
Tellin' yourself there's nothin' new, so whatever gets you through the night  
Meanwhile back in the music business the beat goes on and on  
I sell my soul to the company man, when there's nothin' else to lean upon.

Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon  
Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon.

People come and people go, friends they disappear  
There's only one thing that I wanna know, tell me where do we go from here  
Everybody's on the make, everybody's tryin' to get ahead  
In a world like this you just exist to feed the walkin' dead.

Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon  
Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon.

Lookin' out on a world gone crazy, waitin' for the fun to begin  
The race is on yeah they're gettin' ready, Jesus what a state we're in  
Meanwhile down in my backyard I'm sittin' doin' solitary  
Now that I've milked the sacred cow, I just worry 'bout the military.

Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon  
Sleepwalkin', deep sleep talkin', reelin' and rockin', wailin'  
at the moon.

Get ready  
Get ready
