

# The Ark

Gerry Rafferty

See the dark night has come down on us  
The world is livin' in its dream  
But now we know that we can wake up from this sleep  
And set out on the journey  
Find a ship to take us on the way.

The time has come to trust that guiding light  
And leavin' all the rest behind  
We'll take the road that leads down to the waterside  
And set out on the journey  
Find a ship to take us on the way.

And we'll sail out on the water  
Yes we'll feel the seas roll  
Yes we'll meet out on the water  
Where are all strangers are known.

If you travel blindly, if you fall  
The truth is there to set you free  
And when your heart can see just one thing in this life  
We'll set out on the journey  
Find a ship to take us on the way.

And we'll sail out on the water  
Yes we'll feel the seas roll  
Yes we'll meet out on the water  
Where are all strangers are known.

See the dark night has come down on us  
The world is livin' in its dream  
But now we know that we can wake up from this sleep  
And set out on the journey  
Find a ship to take us on the way.

And we'll sail out on the water  
Yes we'll feel the seas roll  
Yes we'll meet out on the water  
Where are all strangers are known.
