

## Waiting For The Monster To Drown

**Get Cape. Wear Cape. Fly**

I just don't know what it was  
And I don't know when it came  
All albatross fighting like a buzz  
Saw and calling my name  
I just don't know what it was  
And I don't know when it came  
An albatross fighting like a buzz  
Saw and calling my name  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
I don't know why I was scared  
I've got the power of speech  
And all the threats and the violence in the world  
Couldn't make me impeach  
I don't know why I was scared  
I've got the power of speech  
And all the threats and violence in the world  
Couldn't make me impeach  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
Efface, efface, efface, efface  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot

Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown  
And we were waiting on the back foot  
Waiting on the back foot  
Waiting for the monster to drown
