

Dead Or Alive

Get Scared

Under these covers I feel comfortable,
You call me crazy but I'm not alone.
It's the way you crawl, up and down these walls.
To sink your teeth into my bones.

You're creeping up my spine,
Can't take me dead or alive.
This time I'm gonna put up a fight.
Can't take me dead or alive
Dead or alive.

Under these walls I feel uncomfortable,
They creep, they crawl and I can hear it all.
When I close my eyes I start to realize
That there's something here that wants me gone.

You're creeping up my spine,
Can't take me dead or alive.
This time I'm gonna put up a fight.
Can't take me dead or alive.
Dead or alive
Dead or alive

You're creeping up my spine,
Can't take me dead or alive.
This time I'm gonna put up a fight.
Can't take me dead or alive.
Dead or alive
Dead or alive

This time I'm gonna put up a fight,
Can't take me dead or alive.
