

# God Damn Liar

Get Scared

You'll never take me  
You'll never take me alive  
Cause god knows you've tried  
I once was blind but now I see the light  
Maybe I should cut my wrists  
You know I've never been fucked like this  
You've ripped my heart apart  
You know who you are

You're a god damn liar  
You're a god damn liar  
I don't want to care  
Like I want to care  
You're a god damn liar  
You're a god damn liar  
I don't want to care  
Like I want to care

I know you hate me  
I can see through your eyes  
I feel the same way  
You had the guts to take me by surprise  
Maybe I should call it quits  
I know you like to see me like this  
I rot inside to fight the fight  
You know I can't win

You're a god damn liar  
You're a god damn liar  
I don't want to care  
Like I want to care  
You're a god damn liar  
You're a god damn liar  
I don't want to care  
Like I want to care

After all this regret  
You had me at my best  
With what little I had left  
Now I'm finding out that bottoms not as bad as it gets  
I may be wounded  
You think I'm already dead  
And now I've realized that sorrow only brings out my best

Maybe I should cut my wrists  
You know I've never been fucked like this

God damn liar  
You're a god damn liar  
I don't want to care  
Like I want to care  
You're a god damn liar  
You're a god damn liar  
I don't want to care  
Like I want to care
