

Not At All

Get Scared

Maybe it takes some time for me to open up your eyes,
but I don't have that long.
I doubt it takes a lot to be the everything you're not
but trust me I'll be strong.

No more, give up, enough of this torment.
I've had enough of you

Do you know how I feel? No you don't, no not at all.
Don't act like you're here cause you're not, no not at
all.
Why don't you stay, can't suck the life outta me?
There's no need to leave cause you're not here, not at
all.

Sit back and take a breath, can't you see the noose
around this neck?
I can't believe that I could last this long.
Another [?] get back, I'm about to have a heart attack.
I need to empty out these lungs.

No more, give up, enough of this torment.
I've had enough of you

Do you know how I feel? No you don't, no not at all.
Don't act like you're here cause you're not, no not at
all.
Why don't you stay, can't suck the life outta me?
There's no need to leave cause you're not here, not at
all.

Take time, waste time, my body starts to breakdown
Take time, waste time, my body starts to breakdown
Take time, waste time, my body starts to breakdown
Take time, waste time, my body starts to breakdown

No more, give up, enough of this torment.
I've had enough of you

Do you know how I feel? No you don't, no not at all.
Don't act like you're here cause you're not, no not at
all.
Why don't you stay, can't suck the life outta me?
There's no need to leave cause you're not here, not at
all.

So, so why don't you go, cause you're not here not at
all.
Not here not at all, not here not at all.
