

# Get Thru The Day

Get Set Go

Smokin' my last cigarette  
Out on the patio  
The day is breakin'  
And I've been takin' the drugs  
Make my heart pound  
I need another cigarette  
Poking through the ashtray  
Hoping to find another

Way to get through the day  
Another way to get through the day  
Another way to get through the day  
Another way to get through the day

Drinkin' up the dregs  
Of all the beer bottles  
Of last night's party  
Cause I don't wanna go down  
To the hook-up  
For another hook-up  
I got another hook-up  
I just need to cook up a

Way to get through the day  
Another way to get through the day  
Another way to get through the day  
Another way to get through the day

We've wasted our days and we've wasted our lives  
We're wasting, we're wasted, we're wasting our lives  
We've wasted our days and we've wasted our lives  
We're wasting, we're wasted, we're wasting all right

Got a girl naked  
But I couldn't get it up  
So we smoked some black  
And we laughed it up  
She said, "Hey honey,  
"You're a real rock star"  
I said, "Now baby,  
"You go too far"

It's just a way to get through the day  
Another way to get through the day  
Another way to get through the day  
Another way to get through the day

Woke up in the afternoon,  
Head still pounding  
I don't know what to do  
And the pressure's mounting  
I could have been a lover  
I could have been a fighter  
I should have been a doctor  
So I could have been prescribing a

Way to get through the day

Another way to get through the day  
Another way to get through the day  
Another way to get through the day

We've wasted our days and we've wasted our lives  
We're wasting, we're wasted, we're wasting our lives  
We've wasted our days and we've wasted our lives  
We're wasting, we're wasted, we're wasting all right
