

# I Hate Everyone

Get Set Go

Some stupid chick in the checkout line  
Was paying for beer with nickels and dimes  
And some old man who clipped coupons  
Had argued whenever they wouldn't take one  
All I wanted to was buy some cigarettes  
But I couldn't take it anymore so I left

I hate everyone (4x)

All the people on the street, I hate you all  
And the people that I meet, I hate you all  
And the people that I know, I hate you all  
And the people that I don't, I hate you all  
Oh, I hate you all

Some f\*\*king asshole just cut me off  
And gave me the finger when I f\*\*king honked  
Then he proceeded to put on the brakes  
He slammed on the brakes, but I made a mistake  
When I climbed out of my van he was waiting  
But he was six three and two hundred pounds of Satan

I hate everyone (4x)

All the people on the street, I hate you all  
And the people that I meet, I hate you all  
And the people that I know, I hate you all  
And the people that I don't, I hate you all  
Oh, I hate you all

I bet you think I'm kidding  
But I promise you it's true  
I hate most everybody  
But most of all I hate  
Oh, I hate you

All the people on the street, I hate you all  
And the people that I meet, I hate you all  
And the people that I know, I hate you all  
And the people that I don't, I hate you all  
And the people in the east, I hate you all  
And the people I hate least, I hate you all  
And the people in the west, I hate you all  
And the people I like best, I hate you all  
Oh, I hate you all
