

# My Wasted Life

Get Set Go

Everybody knows that cheating's not the answer  
But sometimes cheating is a whole lot faster  
I get by by wasting time

And everybody knows that it pays to be a winner  
But winning ain't easy when you're born to be a sinner  
And I get by by wasting time

La la la la la la  
Whoa  
La la la la la la

(We can never go home,  
We will never be safe)  
Sadly, sweetheart  
All we've broken  
We have let  
Remain unspoken

All that I want's a little love from you  
And all that I want's a little love from you

I don't know where I went wrong  
But if I hadn't, there wouldn't be this song  
And I get by by wasting time

La la la la la la  
Whoa  
La la la la la la

(We can never go home,  
We will never be safe)  
Sadly, sweetheart  
All we've broken  
We have let  
Remain unspoken

All that I want's a little love from you  
And all that I want's a little love from you

(We can never go home,  
We will never be safe)  
Sadly, sweetheart  
All we've broken  
We have let  
Remain unspoken

All that I want's a little love from you  
And all that I want's a little love from you  
All that I want's a little love from you
