

Sleep

Get Set Go

I'm so tired that I could sleep for a year
The sound of snoring is the only thing you would hear
I'm so tired that I could sleep my life away
I'm so tired I'm way too tired to play

I need my sleep
I need it right now
I need my sleep
Or I'm going down
I need my sleep
I need it today
I need my sleep
Without delay

I'm so tired that I could sleep til I'm old
And if I awoke, it would only be to use the toilet bowl
I'm so tired that I could sleep my life away
I'm so tired I'm way too tired to say

I need my sleep
I need it right now
I need my sleep
Or I'm going down
I need my sleep
I need it today
I need my sleep
Without delay

I can't sleep for all the clamor and the clang of all the people as I'm singing all these same old love songs
I can't sleep for all the clamor and the clang of all the people as I'm singing all these same old love songs

I'm going crazy
I'm going crazy
I'm going crazy
I'm going crazy
I'm going crazy
I'm going crazy

I'm so tired but I can't fall asleep
I'm so tired but I can't fall asleep
I pray the lord my soul, my soul to keep
I'm so tired but I can't fall asleep
