

## Stay Away

Get Set Go

I'm a criminal on Fridays  
I do drugs and buy them too  
Stole a car to get to downtown  
That's the sort of shit I pull

Stay away from me  
I'm only gonna pull you down  
I am a reprobate, a hooligan, a devil's mate,  
You don't want me around  
Stay away from me  
I'm only gonna pull you down  
I am a bitter pill, a lost cause, a ne'er-do-well,  
You don't want me around

Stay  
Away from me  
Can't you see I'm all bad?  
I'm the worst you never had  
Stay  
Away from me  
Can't you see I'm all bad?  
I'm the worst you never had

I like to drink 'til well past sunrise  
And I can't afford to pay my rent  
I like pills that give me some high  
I like pills that get me bent

Stay away from me  
I'm only gonna pull you down  
I am a reprobate, a hooligan, a devil's mate,  
You don't want me around  
Stay away from me  
I'm only gonna pull you down  
I am a bitter pill, a lost cause, a ne'er-do-well,  
You don't want me around

Stay  
Away from me  
Can't you see I'm all bad?  
I'm the worst you never had  
Stay  
Away from me  
Can't you see I'm all bad?  
I'm the worst you never had

Oh oh ohohoh  
Oh oh ohohoh  
Oh oh ohohoh  
Oh oh ohohoh  
Oh oh ohohoh  
Oh oh ohohoh  
Oh oh ohohoh  
Oh oh ohohoh

Stay  
Away from me

Can't you see I'm all bad?  
I'm the worst you never had  
Stay  
Away from me  
Can't you see I'm all bad?  
I'm the worst you never had
