Retaliation

[SCARFACE]

Retaliation is a must

And when I ride

Suicide, it's a suicide... Leavin' opposition in the dust In mob we trust, fuckin' with us gon' get your bust It's a - suicide, it's a suicide You will die, nigga, you will die Just like your homeboy did When we teed off on him And since you want drama, we fend the weed off the corner All these niggas better ride So if you hoes got pride Then bring your asses outside And let me say your bad side

But don't you never let me see you sweat I'm leaving motherfuckers silhouettes - wet And you can take that as a treath But I'ma make the promise These nigga here is comin' Sick enough to let to make a maggot vomit With the intentions to retaliate Illuminatin', then evacuate Fuck the tear drops on the casket tops Just open up with shots from the plastic glock That leave your ass get got It's all about gettin' even Get them muthafuckas when you see 'em Stop em from breathin [007] Retaliation Look at all the heat that you're facing 15 niggas agg in your living room waiting Passin out shit, bags Click clacks - toe tags We came and we kicked that ass Who run this? Double-O-Seven Out of 17 and guaranteed to get eleven I guess you think you're safe Sorry that you did it Hoe, it's too late Bitch, you shouldn'ta did it One by one niggas get they ass done Pussy make me laugh, nigga, money make me come Nigga set for life All on this in pay-per-view ?Callin? shots make you call yo' whole fuckin' crew We gotcha

[MADD DOGG] I ain't playin with this one, pass the pistol Warriors come out the play when we whistle What's that sound? Is that them - in the background? I let the Mac clown and shut this whole set down Rap-A-Lot Mafia's murderous circle

Geto Boys

We kill em done, go get your guns None survive when I scream the die-die It's the mister from the free time the dum-dum Retaliation is a must Who in the fuck gave you muthafuckas the nuts To try to buck Wanna bust? Nigga what?! It's dust to dust Ashes to ashes, in the back is where the pistols pump I lift em up, gives a fuck I'm quick to bust Hit 'em up, get 'em up Once I send 'em up Now ??? get enough of my gangsta stuff Retaliation is a muthafuckin' must [K.B.] I stumbled out the club ???? Drunk as fuck And plus my visions is blurry My face swoll' the fuck up Clothes all muddy It was buddy From last week who I got into that argument With - came back with his click Muthafuckas in some deep shit And so they asses got to pay Make my way to a pay phone and hit J. "Hey, I just got jumped on I'm over here at ??? It's the mob that ?? to the brain to the Gathor A few minutes later I saw the muthafuckin' Hummer Here comes Big Chief Mac-11, ready to bomb a Cock suckers ??? niggas Was gonna touch 'em Muthafuck' the law They ass went up, my nigga bust 'em This is my biz Kill 'em all Don't leave no witness Make you muthafuckas wishin' you wouldn'ta you done this Handle your business You violated my probation Had to fry they ass like bacon For fuckin' with me: retaliation!
