I can t sleep at night
I to me fire alright
I can t stop this chill
Give me another pill
I can t stop the shakin
My whole body a achin
I to me on the floor, it sold
I to me gonna loose control

Convulsions Convulsions

Got no self control
ConfusionOs all I know
Feel my body break
I canOt stop the shake
IOm on fire, my end is near
Tension in the air
IOm gonna jump and shout
Until I pass out

Convulsions Convulsions

Convulsions Convulsions Convulsions Convulsions

I can t sleep at night
IDm on fire alright
I can t stop this chill
Give me another pill
I can t stop the shakin
My whole body a achin
IDm on the floor, it sold
IDm gonna loose control
