

## Die When You Die

GG Allin

The faggots with aids  
Are all gonna fry  
You stuck it up an ass  
Primate now were gonna die  
Die when you die  
When you die your gonna die  
Die when you die  
When you die your gonna die  
The kkk put the niggers out to die  
With the blackies burning  
I hope he's gonna die  
Die when you die  
When you die your gonna die  
Die when you die  
When you die your gonna die  
Talked to my bitch  
Cuz she was a guy  
Talked to my man  
And she said your gonna die  
Die when you die  
When you die your gonna die  
Die when you die  
When you die your gonna die  
If you've got cancer  
Then go fuckin die  
If you got aids  
Spread it around  
And take some lives  
Die when you die  
When you die your gonna die  
Die when you die  
When you die your gonna die
